CATASAUQUA, PA — June 25, 2020

Bridgeway Academy has launched a new live program for the 2020-2021 school year. The homeschool academy expanded its Blended Program for grades 3-5 with the addition of Live Online Classes to its curriculum offerings.

[Bridgeway's Blended Program](#) will now give students in grades 3-5 the choice of using Live Online Classes for their core classes. Previously, the program used textbook-based lessons with online learning enhancements and activities. With the new Live option, core courses will be delivered via live instruction from a certified teacher with digital resources and hands-on activities supporting the online lessons and helping to keep students on track. Students can also take advantage of weekly tutoring sessions. The traditional Blended Program will still be available for students in grades 1-6.

“Our new Live Blended Elementary program demonstrates our commitment to bringing the best, most up-to-date programs to homeschooling families and we are excited to welcome people into this program,” says Jessica Parnell, CEO of Bridgeway Academy.
